6. White Christmas 11

HOW TO READING TABS

Chromatic harmonica tabs are a helpful way to play melodies and songs without needing to read standard music notation. Here's a simple guide on how to understand them.

1. Basic Tab Structure

- **No Brackets:** If there is no bracket around a number, like 4, this means to **blow** (exhale) on that hole
- **Numbers in Brackets:** If you see a number between round brackets, like (4), this means to **draw** (inhale) on that hole
- **Asterisk (*):** The asterisk next to a number (e.g., *4) indicates that you need to **push the button** while playing that note. This allows you to access the sharp or flat version of the note, essential for chromatic playing

2. Example of a Simple Tab

- **(4)**: Draw on hole 4
- **4**: Blow on hole 4
- **(5)**: Draw on hole 5
- ***5**: Blow on hole 5 with the button pressed

3. Putting It Together

If you see a sequence like:

- **(4) 4 (5) *5**, it means: **draw on hole 4**, then **blow on hole 4**, then **draw on hole 5**, and finally, **blow on hole 5 with the button pressed**

4. Using the Chromatic Button

- The chromatic button is used to raise the pitch of the note by a half step. When you see a number with an asterisk next to it (like *4), it tells you to press the button while you blow or draw on that hole

RESOURCES

If you experience any issues, please visit my support page:

Congratulations on finishing this e-book! I hope it has been as enjoyable to read and learn from as it was to create. Remember that the beauty of music lies not just in the notes we play, but in the emotions we convey. Keep practicing, keep exploring, and most importantly, keep enjoying the process.

If you find this book helpful, I'd love to hear about your experience! Feel free to share your thoughts, progress, and any music you've created using the techniques and lessons in this e-book.

Stay tuned for more resources and e-books and continue to make music that speaks to you. Until next time, keep the music alive!

With gratitude,
Andrea
